Outside the Exhibit

Newsletter No. 3 – July 2026

Community Connections

Outside the Exhibit continues to grow.

We have been building connections with more community groups in Hitchin, Royston, Stevenage and Watford through taster workshops and creative residencies.

Thank you to everyone who has joined us so far. We have also been making new partnerships. This means there will be more workshops, walks and creative activities in the coming months.

Who is the project for?

Outside the Exhibit is for local people of all ages and community groups. We want to hear your stories, experiences and ideas. These will help shape future museum exhibitions.

You might be:

- Passionate about your local green spaces
- Keen to connect with others in your community
- Curious to try out some new arts skills

No experience is needed. Come and give it a try.
